

Self-guided city walking tour

HOW TO USE THIS MAP?

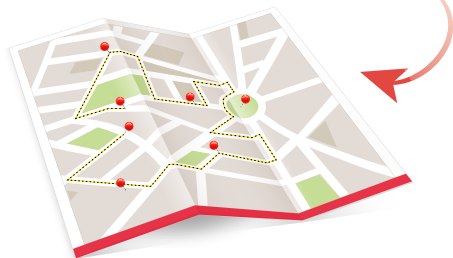

1. Please scan the QR code.
This will install the QVtoGO app,
and start your tour.

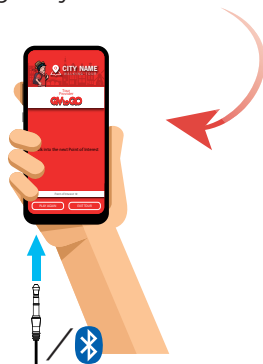

Or download the app from
your app store.

3. Relax and let our commentaries
do the rest! (Turn this page for the
map!)

2. We recommend using earphones
and turning off your screen.

DISCOVER THE CITY AT YOUR OWN PACE!

*This is QVtoGO, a self-guided city
walking experience to entertain and
guide you through
selected cities in Europe.*

*Just scan the QR code to install
QVtoGO and to start the tour, allow
the highlighted route and listen to
GPS-triggered commentaries on all
marked points of interest.*

Enjoy **30 audio commentaries** on
these major points of interest!

QUIETVOXX respects...

... and values your privacy! We guarantee that none of your data or personal information (including your GPS position) is used except to play the audio commentaries in the right place! We do not store or evaluate any of your personal data and information. Neither for marketing nor for any other annoying use.
